in a team, Technology, Creative
Projects

SUMMARY

I am a dedicated BSc Computer Science graduate with great leadership, communication, and organisational skills that I gained while serving as president of several university societies. I thrive in collaborative environments, enjoy complex problem solving and am now looking for a role where I can apply my skills, both technical and general, in a practical environment while continuing to grow professionally.

EDUCATION

● BSc Computer Science (First Class)
Queen Mary University of London
Sep 2022 - Jul 2025 • London

● GCSE and A Level
Greenford High School
Sep 2015 - Jun 2022 • London

10x GCSEs, achieving grades of 7-9 including Computer Science (9), Maths (8), Physics (8), English Literature and English Language (9)

A Level Maths (A)
A Level Computer Science (A)
A Level Further Maths (B)

UNIVERSITY PROJECTS

● Final Year Project
Gun for All

An innovative Roguelike-Platformer Video Game that manipulates desktop windows to create unique and fun challenges alongside a robust procedural generation algorithm.

● Software Engineering Project
SwiftSheets

A timesheet web-application created for the FDM Group developed using React.js and Django for the Frontend and Backend.

● Game Development Project
Escape the Aisle

An immersive, 3D Survival-Horror game, built in Unity using C#, showcasing a complex procedurally generated level system.

EXPERIENCE

President

Queen Mary Video and Card Gaming Society
Jun 2023 - Jun 2025 • London

- Organised events for 50+ attendees, including charity tournaments and collaborative meetups
- Managed sponsorship communications, representing the society with professionalism
- Led committee meetings, developed term strategies, and ensured team cohesion

President

Queen Mary Kendo Club
Jun 2024 - Jun 2025 • London

- Coordinated weekly training and national tournament participation
- Managed a society budget of over £1,000, delegating responsibilities effectively
- Represented the society at university fairs and networking events

Welfare Representative

Queen Mary Game Development Society
Jun 2024 - Jun 2025 • London

- Ensured a safe, inclusive atmosphere during events for 30+ members
- Liaised with other societies and organisations to foster collaboration
- Point of contact for welfare related issues and concerns
